Convention programme packs are issued at the convention on your arrival or designated times during the weekend. There are no official outdoor events on Friday and the convention formally starts at 7pm with an indoor evening programme in Hercules Hall.

Please note Conventions are self-financing and registrations are required to fund the costs of the weekend event. Most of the costs are paid in advance of the event and for this reason, unfortunately it is not possible to refund registration payments if you later cancel your attendance. If Six of One is forced to cancel the event due to circumstances beyond its control, a refund will be made on a pro-rata basis.
